

Martin Erdmann

Project Manager

HINT.CO GmbH

Martin Erdmann is a Project Manager at HINT.CO GmbH. Among other tasks, he works on the preparation of the HINT.CO and the upcoming tenders.

He holds a master's degree in Energy Management (M.Sc.) from the University of Applied Sciences in Darmstadt.

Before starting at H2Global he worked as a consultant for the GFA Consulting Group in the Energy Department. He gained experience in the Energy Sector and international cooperation while working in different companies and organizations, among others the German Federal Parliament, KfW Development Bank in New Dehli and the United Nations Development Programm (UNDP) in Rome.
